Positions involve leading school, scout, and family groups through the historic Butterprint Farm. Tours last 1½ to 2 hours. Children see an entertaining puppet show followed by early farm demonstrations, a tour of the Butterprint Prairie Museum, nature center and native prairie. There is also a petting zoo and a ¾ mile hayride to the pumpkin patch. If you would like to teach children about this farm's history and Illinois' native wildlife, then please apply! We also have need for a tractor driver as well.

You must be at least 18 years old to work at the Butterprint Farm Pumpkin Patch. The jobs available are varied and seasonal. Positions are available on weekdays from 9:00am till l:00pm. On occasion there may be an afternoon group as well.
